

## Fortress

### VERSE 1

**G7** **D**  
I've got nothing left to hide  
**D** **G7**  
My armor's on the ground  
**G7** **D**  
This battle's left me dry  
**D** **G7**  
My strength has broken down  
**G7** **D**  
You pull me to Your side  
**D F#m/C# Bm A G7**  
I'm suddenly surrounded by Your hand  
**Bm A G7**  
Perfectly astounded I can stand

### CHORUS

**A** **G** **D/F#**  
*Your power is what's keeping me together*  
**A** **G** **D/F#**  
*Your strength is all that's keeping me alive*  
**A** **G** **D/F#** **Bm A**  
**G7**  
*Your fortress is the only hope I have to survive*

### VERSE

**G7** **D**  
Your stillness never ends  
**D** **G7**  
Your kindness never sleeps  
**G7** **D**  
You come to my defense  
**D** **F#m/C# Bm**  
You claim the victory  
**A** **G7** **Bm**  
And outside those walls the battle rages on  
**A** **G7**  
But You will not fall

### CHORUS

**A** **G** **D/F#**  
*Your power is what's keeping me together*  
**A** **G** **D/F#**  
*Your strength is all that's keeping me alive*  
**A** **G** **D/F#** **Bm A**  
**G7**  
*Your fortress is the only hope I have to survive*  
**BRIDGE**  
**D** **F#m/C#**  
I've never felt a love like Yours  
**Bm A G7 Bm Asus A**  
Never felt alive before the day You led me home  
**D** **F#m/C#**  
So I'll fill the air with melodies  
**Bm A**  
Embrace You with the words I sing  
**G7 Bm Asus A**  
Your grace has led me home
