

Hands of The Healer

Blood flows down
Blood flows down
Flowing from the hands of the Healer
Death is bound
Death is bound
It's broken in the hands of the Healer

So beautiful, oh so beautiful
So beautiful Your love

Glory to the King who gave His life
Glory to the Lamb of sacrifice
Beautiful and broken
Holiness and love
Glorious the wounded hands of God

Risen life
Risen life
Purchased by the hands of the Healer
Sanctified
Sanctified
How precious are the hands of the Healer

So beautiful, oh so beautiful
So beautiful Your love

Glory to the King who gave His life
Glory to the Lamb of sacrifice
Beautiful and broken
Holiness and love
Glorious the wounded hands of God

So beautiful, oh so beautiful
So beautiful the hands of love
So powerful, oh so powerful
So powerful the hands of love
