**Dm Bb F Dm Bb F**

### VERSE

**F**

Your treasures are an ocean deep

**C/E**

But I'm content to place my feet

**Am Bb**

Gently on its shore

**F**

The waves of feeling cool my heart

**C/E**

But deep within my soul is parched

**Am Bb**

I'm needing so much more

**Dm C F**

There's more to You God, than I've been told

**Dm C A/C#**

There's more of You still left to unfold

### CHORUS

**Dm Bb F**

*Oh, I need to find You*

**Dm Bb F**

*Oh, You hear me knocking on the door*

**Dm Bb F Am**

*Oh, I'm only asking for a touch*

**Bb F**

*That's enough*

### VERSE 2

**F**

I stretch my hands to hold Your grace

**C/E**

But nothing I can do would trace

**Am Bb**

The measure of Your heart

**F**

So I'm resolved to stand and stare

**C/E**

And take in all that I can bear

**Am Bb**

God show me what You've got

**Dm C F**  
There's more to You God, than I've been told
